

NJ Reentry Program

New Jersey Reentry Corporation (NJRC) is a non-profit organization that provides critically needed services to persons returning from state prison, county jail, addiction treatment centers, and veterans of the theater of combat.

NJRC provides comprehensive, wraparound services: (1) addiction and behavioral health treatment, (2) sober transitional housing, (3) Medicaid registration and linkage to healthcare, (4) Motor Vehicle Commission identification, (5) legal services, (6) mentoring through faith-based and professional associations, and (7) training and employment. NJRC provides for an effective integrated service delivery model, which is driven by licensed social workers, a biopsychosocial evaluation, and ongoing case management services through our case management system.

With the support of Governor Christie's administration, NJRC was established in 2014 after the successful implementation of a pilot reentry model in Jersey City, Hudson County. This reentry model was initiated through a series of strategic partnerships between the Hudson County Department of Corrections (HCDOC), the New Jersey Department of Family Services (DFS), and local non-profit providers
